### Getting around

| <b>Distance to town centre</b> | It is approximately 2km to the castle; however, the start of the town is within 100 yards. It's a lovely stroll along the promenade to the town itself.  | <b>Main highlights</b> | <p><b>Bodrum Castle</b> – the most prominent landmark in the city.</p> <p><b>Myndos Gate</b> – the old city gates. It was the scene for one of the greatest bloodiest battles during the siege of the city by Alexander the Great.</p> <p><b>Bodrum Windmills</b> – Get some amazing views of the bay of Bodrum &amp; Gumbet from the windmills set high on the hills of Bodrum</p> |               |       |         |            |          |              |                |           |                 |                        |        |        |         |                        |           |            |  |  |
