## GETTING ABOUT

When we arrive into Scarborough we'll be docked in the Deep port cruise terminal, close by to the local town. Heading out on foot is very accessible and is around a five to ten minute leisurely walk. You'll also be close by to restaurant facilities, as well as palm fringed beaches of several different resorts.

Alternatively, there are local taxis that can be found in the port area along the pier who can help you to explore the local area of further afield. It's recommended to use official taxis within the port - look out for registrations with the letter 'H' for hire, they may be a little more in price but they are recommended for tourists who are looking to explore.

## TOP TIPS
